From the Desk of the Principal  
September 29, 2015

Dear Parents, Guardians, and Employees,

St. Monica School has developed and maintains an Asbestos Inspection and Management Plan as required by the Asbestos Emergency Response Act of 1986 (AHERA). A copy of the plan is available for your inspection at the school office during regular office hours. The KEM Partners (610-594-2600) is the school's asbestos program manager and Acer Associates (856-809-1202) is the school's consultant. Inquiries regarding the plan should be directed to these organizations.

Sincerely,

Sister Mary Regina Matulka, IHM  
Principal
